- A slideshow of statewide events, incidents, exercises, trainings has been developed for use during EM 101/102 breaks. Can also be used during conference breaks. Will work with Technology Committee to make accessible on NCEMA website. Send pictures to add to the slideshow to michelleb@cityofws.org
- A Basic Academy TTT for Instructors will be delivered during a breakout session during the conference; therefore, the following Strategic Plan Objective can be closed out:
 - **4.2.8 Create a “mini” TTT class to present as a breakout session at future conferences**
 - “Scheduled for completion and delivery at a breakout session at Spring 2019 NCEMA conference, along with an “officials/stakeholders briefing” for EM’s to use for outreach”

Future endeavors of the Training Committee:

- Develop a short presentation of “What is EM?” for officials & stakeholders which can be posted to the NCEMA website and accessed by emergency managers
- Develop the Mentee application. Work with Technology Committee to post the Mentor Program information and a list of mentors to the NCEMA website, so that mentees can select a mentor and begin the mentor/mentee relationship
- Develop an EM 101/102 Refresher course

Respectfully submitted:
