SPRING CONFERENCE

The NCEMA 2026 Spring Conference in Cherokee was a huge success. The over 250 attendees networked and learned all while having a little fun. We will have copies of the presentations and maybe a few pictures on the website soon.

Accidental Death and Dismemberment (AD&D)

Your association has added AD&D insurance as a new membership benefit. This benefit provides 24-hour coverage for both on-duty and off-duty events. All members qualify for this benefit. The policy provides a \$25,000 benefit, and the premium is included in NCEMA membership dues. Coverage is based on the calendar year, and the member must be listed on the NCEMA roster at the time of the incident to be eligible.

SPECIAL PROJECT!

We would like to collect data on our membership that are veterans. If you are a member of the NCEMA and a veteran, please send an email to executivedirector.ncema.net or issacsb@co.surry.nc.us

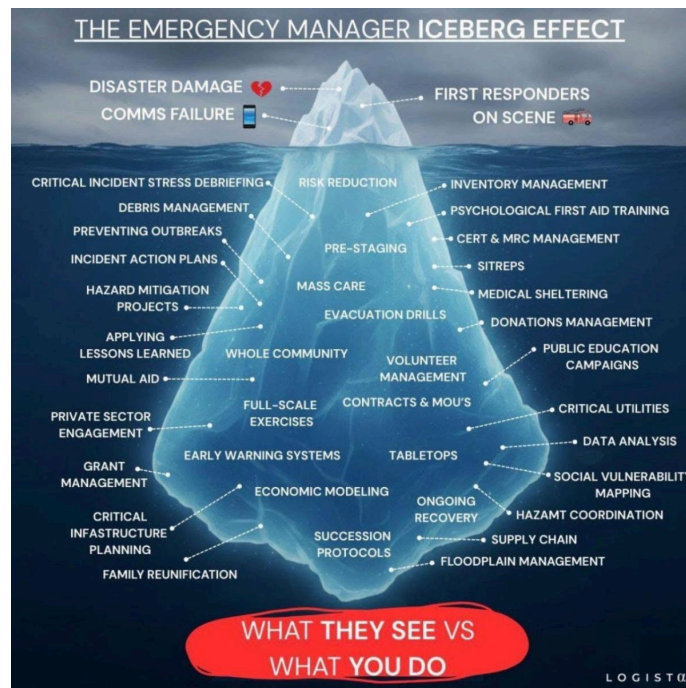

SCHOLARSHIPS OPEN

Now is the time to submit an application for the 2026 Tim Miller Scholarship. Each scholarship is \$500.00 to be used for expenses directly related to education. The application is available at www.ncema.net/scholarship.

IT'S NOT TOO EARLY TO PLAN FOR FALL CALL FOR PRESENTERS

Apply to speak at Fall Conference and contribute to the professional conversations about Emergency Management. If you, or you would recommend someone else, please contact our Conference Committee Chair at barledge@polknc.gov or executivedirector@ncema.net.

We would really like to increase "credit" classes at conferences, please share your thoughts on classes and topics you would like to see the committees to research.
