## Accidental Death and Dismemberment (AD&D)

Your association has added AD& D insurance as a new membership benefit. This benefit provides 24-hour coverage for both on-duty and off-duty events. All members qualify for this benefit. The policy provides a \$25,000 benefit, and the premium is included in NCEMA membership dues. Coverage is based on the calendar year, and the member must be listed on the NCEMA roster at the time of the incident to be eligible.

Please see the link below and complete a beneficiary form for the policy. File a copy of the form for your files and you may also send a copy to [executivedirector@ncema.net](mailto:executivedirector@ncema.net). Please note that an up-to-date beneficiary form is the responsibility of each member. In the absence of a form, benefits would be paid to the estate.
